The MPTA Institute for Education and Research, Inc. is a sister organization to the Michigan Physical Therapy Association (MPTA). The MPTA Institute was created by the MPTA Board of Directors to provide a tax sheltered non-profit entity to promote research and education related to physical therapy in the State of Michigan. Annually scholarships, research grants, and awards are given out by the institute to encourage research and the continuation of the physical therapy profession.

Funds for the MPTA Institute are from the Michigan Physical Therapy Institute Endowment Fund at the Michigan Capital Region Community Foundation and donations made directly to the MPTA Institute by companies or individuals.
